DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

The reply filed on 29 December 2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Specifically, applicant has not elected a specific compound or single disclosed species. The compound presented on page 2 of the response filed 29 December 2006 is not a single compound as it contains variables such as R2 is an alkyl group which is not specifically defined as only one alkyl, such as methyl, ethyl, n-butyl, etc.. The formula on applicants' response page 2 corresponds to a multitude of different compounds. Applicant needs to provide an election of one specific compound in reply to this notice. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
